Open Air Concert Featuring

LIVE MUSIC OF EVERY GENRE

including boys of R

Boys of R started when brothers Hunter, Tanner, and Connor saw School of Rock and became fascinated with 70's and 80's rock music. After starting music lessons and the addition of Sawyer and Jillian, they are now Boys of R. The band's first big break was opening for The Don Stuck Band. Since then, the boys of R have been well received at numerous venues throughout the city.
