New Palestine's Own The Boys Of R To Play At Fall Festival!

The Boys of R will be performing at the New Palestine Lions Fall Festival on Thursday night (KIDS NIGHT) September 4th at 7:00 p.m., right after the performance by MC Axe and the Fire Crew.

The Boys of R have been performing all over central Indiana but haven't played in New Palestine since performing at two middle school dances held at Adaggios in February. They have doubled the number of songs on their play list since then and are very excited to be playing for their hometown and their friends again and taking part in the Fall Festival. A lot of work is going into making this one the best ever!

The band recently performed at the "Rock N The Grove" open air concert held in Beech Grove as well as the grand reopening of the newly renovated City Market in downtown Indianapolis.

The band members are Hunter, Tanner, and Connor Sawyer and Jillian. The average age of the band members is 12. They currently play cover songs focused on classic rock. Once things slow down this winter, they plan to go

into the studio and begin writing their own songs.

On July 4th The Don Stuck Band invited them to play with them at Pinheads outdoor celebration in Noblesville. Don was the one who gave them their first real chance to play in public last summer. After playing with his band several times, Don said it had been a year since he and his band had heard The Boys of R play and we were all blown away with how really good they have become! Don jokingly urged his band to practice more or pass the "Rock n Roll" torch to these kids!

The Band is also performing at the Marion County Fair this Saturday, July 19th at 6:00 p.m. and will be playing at the Sugar Creek Fire Department Poker Run to benefit the soldiers in Iraq on August 2nd. Come on out and see them play at the Fair, the Poker Run, and especially the New Palestine Lions Fall Festival, you'll be glad you did! To see some updated videos and pictures of some of their recent performances and more info on dates and times of their remaining summer events visit their website at theboysofr.com.
